

**CALL N. 390.454 FOR THE RECRUITMENT OF DIRECTOR  
OF THE INSTITUTE OF GENETICS AND BIOPHYSICS  
"ADRIANO BUZZATI TRAVERSO" (IGB) NAPOLI  
OF THE NATIONAL RESEARCH COUNCIL - ITALY**

The National Research Council of Italy (CNR) announces a Call for tenders for the recruitment of Director of the Institute of Genetics and Biophysics "Adriano Buzzati Traverso" (IGB).

The Institute of Genetics and Biophysics is focused on understanding the mechanisms that control cellular functionality in mammals through a convergent and integrated multidisciplinary approach. This objective is pursued through the study of the molecular bases that genetically and epigenetically regulate the different aspects that define the functional identity of a cell, from the early stages of embryonic development up to complete organogenesis and in postnatal life in physiological and pathological contexts. This ambitious intention draws strength from the integration of specialized skills in the field of human genetics (in particular of rare diseases), stem cell biology (embryonic and adult), embryonic development and organogenesis, molecular oncology, neurobiology, angiogenesis and immunology through advanced technologies avant-garde.

The Director manages research activities of the Institute and fosters the strengthening of its competencies and facilities. He/She is responsible for the results of the activities entrusted to the Institute, in accordance with the planned objectives.

Information on research activities, geographical distribution of the Institutes, research outputs, collaborations and contracts as well as available scientific equipment is available on the official website of CNR (<https://www.cnr.it/it/documenti-programmazione>).

## **Requirements**

Eligible applicants are people of high qualification and experience and scientific management with no restriction concerning citizenship.

Good knowledge of Italian and English is required.

## **Terms of Employment**

The Director is responsible for the overall operations of the Institute and for the coordination of all activities, in relation with entrusted programs and projects. The Director all duties stated in the bylaw, regulations and general acts of CNR.

The Director will have a full-time position with a mandate of four years, beginning from official nomination and can be renamed only once.

Emoluments has been approved by Board of Director's deliberations no. 158 of the 24<sup>th</sup> May 2022.

## **Submission of Applications**

Applications can be submitted, within 30 days from the publication of the present Call, only through the on-line form available in the website <https://selezionionline.cnr.it> and according to the instructions specified therein.

submission of applications after the deadline. All applicants will receive an automated receipt upon correct submission of the application<sup>1</sup>.

## **Evaluation of candidates**

Candidatures will be evaluated by a Commission composed by three to five experts, including non-Italians, appointed by the CNR President following a decision of the Executive Board.

Evaluation criteria, set by the Commission, will include those assessing the high scientific production, professional and managerial qualifications and experience of applicants, in view of the scientific and organizational needs of the Institute. On this basis, a comparative evaluation of the candidates will be performed and the resulting eligible candidates will be called for an interview by the Commission.

After expressing collegial decisions on each evaluation, the work of the Commission will conclude with the presentation to the Executive Board of a shortlist of three eligible candidates for the Institute.

Shortlisted applicants must present to the Executive Board, within fifteen days from notification, a document illustrating strategic lines and development policies for the activities of the Institute.

After the presentation of such document, the Executive Board will choose the candidate that will be finally appointed for the position.
